KEY PROJECT: UK LIVE CAMPAIGN

Digital Marketing Campaign Strategist (Academic Live Brief) Maggie's Cancer Charity —
Merseyside, UK 2024–2025

12-month, £40,000 campaign strategy for a UK cancer charity; executed a real £2,000 paid media pilot as part of the brief.

- **Achieved** a Google Ads CTR of 6.47% (peaking at 9.77%) across the live £2,000 campaign by building tightly themed ad groups aligned to informational search intent, driving 776 clicks from 326,510 total impressions at an average CPC of £0.54.
- **Identified** 1,197 untapped keyword opportunities for Maggie's Wirral via SEMrush keyword gap analysis against Macmillan Cancer Support and cancersupportuk.org, surfacing high-volume, low-difficulty terms the site was not ranking for.
- **Audited** the Maggie's Wirral website using Google PageSpeed Insights and Similarweb, documenting a mobile performance score of 29/100, a 44.66% bounce rate, and a 74% branded-search dependency — forming the basis for a 12-month SEO remediation roadmap.
- **Developed** audience segmentation strategy across three dimensions (demographic 25–65, psychographic VALS model, behavioural) to optimise budget allocation across Meta Ads and Google Ads for a £40,000 annual campaign.
- **Built** SOSTAC-structured campaign plan with SMART objectives (60% traffic uplift, 5% Meta CTR, CPC below £1.50, 30% donation increase) and a KPI measurement framework using Google Analytics, Meta Business Suite, and Balanced Scorecard methodology.

PROFESSIONAL EXPERIENCE

*Note: Sept 2024 – Dec 2025: Full-time MSc Digital Marketing at LJMU (including dissertation completion).
Currently in active UK employment whilst seeking to return to digital marketing.*

SEO & Growth Analyst Ethinos Digital Marketing Jan 2023 – Jul 2024

- **Drove** 40% organic traffic growth across 7 client websites by executing full technical SEO audits in Screaming Frog, resolving crawl errors, fixing redirect chains, and restructuring internal linking architecture.
- **Lifted** average keyword rankings to top 10 positions for my clients by conducting keyword gap analysis in Ahrefs, mapping content to commercial and informational search intent and refreshing underperforming pages.
- **Improved** click-through rate by 2% to 5% across tracked landing pages by rewriting title tags and meta descriptions informed by Google Search Console impression and CTR data.
- **Implemented** schema markup (Article, FAQ, BreadcrumbList) across multiple pages, contributing to 55% increase in rich result appearances.
- **Strengthened** backlink profiles for all the clients by identifying high-authority link opportunities via Ahrefs and coordinating outreach, improving domain rating for all my clients.
- **Delivered** monthly SEO performance reports tracking Core Web Vitals, ranking movement, and traffic trends via GA4 and Search Console, enabling clients to prioritise content investment by measurable ROI.

Social Media & Content Executive Ethinos Digital Marketing Sep 2022 – Jan 2023

- **Increased** average engagement rate by 25% across social media brand accounts by building content calendars aligned to audience search behaviour and platform algorithm signals.
- **Reduced** community response time by 30% by designing a structured moderation workflow, improving brand sentiment scores and repeat engagement rates.
- **Identified** content gap opportunities through competitive analysis in SEMrush, directly informing a revised quarterly content strategy that lifted organic reach by 45%.

Digital Marketing Executive Famous Fashion Pvt. Ltd. Oct 2020 – Jan 2021

- **Grew** social media engagement by 75% in under 3 months by overhauling the content calendar, introducing A/B format testing, and aligning post timing to peak audience activity windows.
- **Executed** integrated seasonal campaigns across digital and print channels, maintaining consistent brand identity and delivering all creative assets on schedule.

Freelance SEO & Content Strategist Self-Employed (alongside studies & current employment) 2018 – Present

- **Managed** 3-5 concurrent client accounts end-to-end, consistently delivering campaigns on time and improving average engagement rates by 50% across managed channels.

ADDITIONAL EMPLOYMENT (active during digital marketing job search)

Security Officer (Core Officer) | Mitie Security Services | Asda Huyton Superstore Mar 2026 – Present

TUPE transferred from Asda Huyton Superstore (Security Officer, 21 Dec 2025 – 29 Mar 2026), where employment commenced as part of the on-site contract. Transferred to Mitie under TUPE regulations with continuity of employment and terms protected.

- **Maintained** a safe and secure retail environment across a high-footfall Asda superstore (Huyton), conducting regular floor patrols, monitoring CCTV, managing access control, and responding to incidents in compliance with SIA licensing standards and site-specific procedures.
- **Produced** accurate daily occurrence logs, incident reports, and handover documentation — applying the same structured, detail-oriented reporting approach used in digital marketing analytics and campaign performance summaries.
- **Collaborated** with store management, colleagues, and the public to resolve conflicts and maintain a customer-friendly environment — demonstrating clear stakeholder communication, composure under pressure, and professional conduct in a regulated environment.

- **Navigated** a TUPE transfer from Asda to Mitie Security Services in March 2026, maintaining uninterrupted performance and adapting quickly to Mitie's operational processes, policies, and reporting structures — evidencing flexibility and professional resilience during organisational transition.
